Dear Mr. Musgrave:

On 9 July 2013, the office of the Information and Privacy Coordinator received your 8 July 2013 Freedom of Information Act (FOIA) request for **all documents obtained during the raid that killed Osama bin Laden**. We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily.

We are currently processing a request for the same records from another requester. Once our research and review of that request are completed, we will forward to you the same CIA-originated records, if released. We will charge you ten cents per page for copies of released material. We have a substantial backlog, which we are working diligently to reduce, so we are unable to estimate when we will complete our review. However, we will notify you once the processing of the original request is complete. Because we believe fees will be minimal, as a matter of administrative discretion, and in accordance with our regulations, fees will not be assessed in this instance.

Sincerely,

A handwritten signature in cursive script, appearing to read "Michele Meeks".

Information and Privacy Coordinator
